Public Notice #16-012-TV-C

Date: March 9, 2016

NOTICE OF A DRAFT AIR CONSTRUCTION PERMIT

**COVERIS FLEXIBLES US LLC
345 CEDAR SPRINGS AVENUE
SPARTANBURG, SOUTH CAROLINA
(SPARTANBURG COUNTY / UPSTATE, SPARTANBURG EQC OFFICE)
AIR PERMIT NO. 2060-0075-CN**

Coveris Flexibles US, LLC has applied to the SC DHEC for an air construction permit to install new equipment at their existing facility. A draft permit and Statement of Basis have been written by the BAQ outlining this proposed project and applicable regulations. This permit will enable the facility to construct and operate in compliance with state and federal air quality regulations. The draft permit has not yet been approved and is open to comment from the public, affected states, and the United States Environmental Protection Agency (EPA).

Coveris Flexibles US, LLC is a manufacturer of printed multi-wall bags for consumer products such as animal feed, charcoal, coffee, sugar, and cookies. The facility is proposing to install a new Flexographic Press #150. The press will consist of ten printing decks, one direct-fired between-color dryer, one direct-fired tunnel dryer, and one corona treater. The emissions will be controlled by the existing regenerative oxidizer. The facility will also be removing several pieces of equipment including: Press 160, 4.13 million BTU/hr natural gas fired VPI Hot Oil Heater, and Gravure Pre-Make Area. Emissions generated by this facility as a result of the proposed project will include: Particulate Matter (PM); Particulate Matter less than 10 microns in diameter (PM10); Particulate Matter less than 2.5 microns in diameter (PM2.5); Sulfur Dioxide (SO2); Nitrous Oxides (NOx); Carbon Monoxide (CO); Volatile Organic Compounds (VOC); Hazardous Air Pollutants (HAPs); Carbon Dioxide (CO2); Methane (CH4); Dinitrogen Oxide (N2O); and Carbon Dioxide Equivalent Gases (CO2e). If this permit is approved, federally enforceable facility-wide limits of 250 tons per year (tpy) of VOC; 10 tpy of any single HAP; and 25 tpy of all total HAPs combined. This construction permit will be incorporated into the existing Title V permit with no additional public comment period, provided all public participation and EPA requirements were fulfilled with notice of the construction permit action.

Interested persons may review the materials drafted and maintained by DHEC for this facility and submit written comments on the draft permit by the close of business, which is 5:00 p.m., on April 7, 2016, to David Meekins at the above DHEC address or by e-mail at meekindr@dhec.sc.gov. All comments received by 5:00 p.m., on April 7, 2016, will be considered when making a decision to approve, disapprove, or modify the draft permit. Where there is a significant amount of public interest, DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to David Meekins at the above DHEC address or by e-mail. If a public hearing is requested and scheduled, notice will be given thirty (30) days in advance. If you have questions concerning the draft permit, please contact Randy Price at the phone number listed above. A final review request (appeal) may be filed after a permit decision has been made. Information regarding final review procedures is available from DHEC's legal office at the above address or by calling (803) 898-3350. Information relative to the draft permit will be made available for review through, April 7, 2016, at the DHEC Columbia Office listed above and at the following location:

SC DHEC, Upstate, Spartanburg EQC Office, 1541 E. Wood Street, Spartanburg, SC 29303 at (864) 596-3327

Information on permit decisions and hearing procedures is available by contacting DHEC at either address listed above. Copies of a draft permit or other related documents may be requested in writing at a \$.25 per page charge. Please bring this notice to the attention of persons you know will be interested in this matter.

This public notice, along with the draft permit and Statement of Basis, may be viewed through April 7, 2016 on DHEC's website at: <http://www.scdhec.gov/PublicNotices/>
